The Church's Month:-

All the above are subject to alteration. Changes are announced at Sunday services and in the Rector's email including her Sermon.

If you are not on the mailing list for it, let her know, so you can be added, and enjoy the Sermon again!

Flower + Music Festival

This event was too early for our first Newsletter, so we hope you managed to come along to see some floral miracles, as we hosted the Festival on the first day of Summer:-

Saturday 1st June 10pm-4pm

Photos in the July Newsletter

Church Music notes:-

We have a number of musicians who enhance our services, by playing voluntaries, accompanying Hymns, and learning the various musical forms of our liturgical settings.

The current Setting is by Grayston Ives, born in 1948. His experience included Ely Cathedral as a chorister, Selwyn College, Cambridge, and Magdalen College, Oxford. He also worked with music by Paul McCartney (Yes, THAT one!).

Our Setting is simple to play and sing and full of beautiful nuances, and precise timings, a pleasure for organists, choristers and listeners, alike.

The Church Garden:-

We are so lucky to have an enclosed garden at St Andrews' where we can sit if it is dry, after church. As you know, we have a variety of weather, so there is always something growing! Maybe should be symbolic of our faith. If we don't think good thoughts then 'weeds' can come in and need to be dealt with. This is just a little reminder that the Church garden gets regular work. Contact Robin Milne, if you want to help, or donate plants, or garden furniture!

Our Halls are a great asset:-

We have a beautiful Sanctuary, a large Hall and a Garden Room, all of which are well-kept and comfy! Many community groups enjoy the use of the Hall throughout the week and at the weekend it is often booked for family parties.

There is also now Friendship House, with its own facilities. They are not always in use, so are

available for let. If you know of any person, or group, seeking accomodation for their interest, please pass on Robert Anderson's contact information shown below.

Church Flowers:-

At every Service, there is a lovely vase of flowers underneath the Hymn board at the front of the Church. They are often provided in memory of a loved one who has passed-on. Make contact with Helen to have a chat about it.

In-Memoria display Cabinet:-

I love the idea of a place where one can find details of those who have gone before, having left a positive mark on the life of the church. And it is right and proper that their contribution is noted as an example to us all. It changes every sunday, but to find someone who might be recorded in it, speak with Robin Milne.

Walking Group

We are in a lovely part of the world so walking is a natural exercise, and events arranged for our pleasure. Due to weather problems, they may have to be adjusted by location and/or time. Up-to-date info available from the contact below.

Tea and coffee:-

Those who provide the cup that cheers after Morning Service, can always use an extra hand! The home-made cakes are tasty so please get in touch, if you are a good baker!

Round and about:-
